

JUST SAY NO!

Are you being coerced into receiving a COVID shot?

Do you know the risks associated with it?

Potential harm from COVID-19 vaccines includes: death, hospitalization, miscarriage, anaphylaxis, Bell's palsy, heart attacks, myocarditis, permanent disability, thrombocytopenia, severe allergic reactions, shingles, antibody dependent enhancement, endothelial cell damage, strokes, heart attacks, blood clots and pulmonary arterial hypertension from vaccine-induced spike proteins autoimmune disease (from PEG nanoparticles) human DNA modification, and others.

YOU have a CHOICE!

YOU are NOT alone!
